# Recomposer des mots

(Avec des lettres)

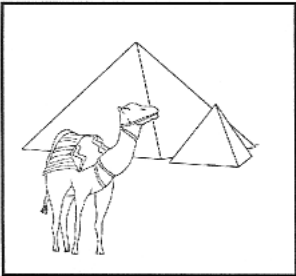

- Compétences :
- Retrouver un mot parmi d'autres de graphie proche.
  - Recomposer des mots avec des lettres.
  - Mémoriser l'orthographe des mots.

Consigne : Colorie les mots identiques au modèle puis colle les lettres pour recomposer les mots.

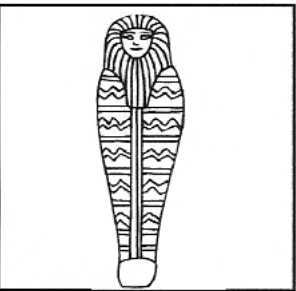

|                                                                                   |                                                                                   |                                                                                     |
